

Wellthy Rewards | 2026

Wellthy Rewards is a wellness-focused incentive program offered by the County of Ventura Wellness Program. Eligible County employees can complete various activities approved by the Wellness Program throughout the year to earn points toward receiving cash awards.

Eligibility

Regular County employees who receive a bi-weekly Flexible Credit or Opt-Out Allowance are eligible to earn Wellthy Rewards points and receive cash awards. In addition, you must receive a paycheck on October 30, 2026, to be eligible to receive a cash award.

Participation

All eligible employees are automatically enrolled in the Wellness Program. Complete points-earning Wellness Program activities during the program cycle January 1, 2026, through August 31, 2026, and your points will automatically be tracked by the Wellness Program.

Cash Awards

There are three levels of cash awards based on points status. Cash awards are limited to the first 1300 eligible employees, will be included on the October 30, 2026, paycheck, and qualify as taxable income. First-time cash award earners will receive a \$50 bonus added to their award.

Accommodations and Appeals

If you are unable to participate in a Wellthy Rewards activity for medical reasons, you may be entitled to a reasonable accommodation or alternative standard. If you believe your points are inaccurate at the end of the program cycle, there is an appeals period from September 1-30, 2026.
